Additional requisite information concerning search:

1. Walked to Midtown NYPL after breakfast at Third Street.
2. Walked to Seventy Ninth Street for (free) lunch and returned to NYPL.
3. Completed job search requirements and improved my resume.
4. Provide my resume with password protection on this site.
5. Decided not to invest the time required to apply for the job lead provided by my Project Renewal case manager (Alex Beznes) because the job required a driver's license which I lack.
6. Decided (as part of my employment plan) not to invest in a phone plan until after the Christmas and New Year holiday. Approximate cost \$50 from the \$340 on hold with Project Renewal.
